SEVILLE SPACE FORUM

28TH & 29TH OCTOBER 2019

Forum to connect business stakeholders from Ariane-cities

Conference on Business Opportunities in Applications & the New Space

sevillaciudadariane.org

Seville New Space Forum

Seville, 28th & 29th October 2019

Space19+, the next ESA Council meeting at ministerial level, will be held in Seville on the 27th & 28th of November 2019. In preparation for the event, the City of Seville, as Chair of the Community of Space Cities (CVA), organizes the program **Seville New Space Forum** in cooperation with Spanish and European organizations to be held on the 28th & 29th October.

The programme has two connected activities: a **Forum to connect business stakeholders from European space cities** and the **Conference on Business Opportunities in Applications & the New Space**.

The Forum is aimed at creating and reinforcing industry links between European Cities with activity in Space sector by developing two activities:

- Technical visits to industries (in the afternoon of 28th October)
- B2B meetings (during the 29th October)

The Conference objectives are:

- To provide an overview of the programmes to be proposed at Space19+.
- To provide relevant examples of how European industries and operators face future challenges
- To give the opportunity to major customers of space located in Andalusia to provide an overview of their current utilization of space data and services and their future prospects
- To provide an overview of Spain in space and an overview of its industrial actors

A programme of industrial visits to Andalusian companies' sites will be arranged on the 28th of October. On the 29th, and during and after the celebration of the conference, participants will also have the opportunity to arrange B2B meetings at the conference venue.

28TH OCTOBER:

14:00 - 19:00 Industrial visits

29TH OCTOBER:

8:30 - 9:00 Registration

14:30 End of the conference. Lunch break

+B2B Meetings in parallel during the whole day

Registration

The registration process for Business to Business (B2B) meeting and the Conference is now OPEN at

<https://newspacevilla2019.b2match.io/>

Participation in the Forum to connect business stakeholders from European space Cities

Companies from any location in Europe can participate in the Forum. The organization will offer meals to participants and can also offer accommodation for companies located in CVA cities (list of CVA cities available on www.ariane-cities.com) with SMEs and potential collaborators with Spanish companies being prioritized. The appointed companies for accommodation grants will be selected by the organizing committee.

In the afternoon of the 28th of October technical visits will be arranged to visit Spanish aerospace industries located in the metropolitan area of Seville. During and after the Conference, on 29th October, B2B meetings will take place on request. Registration until 25th October 2019 at <https://newspacesevilla2019.b2-match.io/>. Participants will be able to organize their agenda through the Enterprise Europe Network (EEN) App: B2Match. Program available at www.sevillaciudadariane.org/en.

If you are a company located at an Ariane City, please contact: forum.sevilla@ariane-cities.com to receive further information about travel grants.
